

## **Joy Through the Pain**

**Lord bring me joy... joy... joy..thru the pain  
Lord bring me joy... joy... joy..thru the pain**

**When the waves get rocky  
When the road gets long  
I'll will stand for Jesus Christ  
And keep my faith on strong**

**Lord bring me joy... joy... joy..thru the pain  
Lord bring me joy... joy... joy..thru the pain**

**When my world gets lonely  
When I'm feelin' down  
You'll be there to pick me up  
And pick me off the ground**

**Lord bring me joy... joy... joy..thru the pain  
Lord bring me joy... joy... joy..thru the pain**

**Would I spend my life in prison  
Trade my remote control  
And get up from my easy chair  
To help save one lost soul**

**Lord bring me joy... joy... joy..thru the pain  
Lord bring me joy... joy... joy..thru the pain**

**repeat**
